Principal's Report – Chris Malone

As we move further into the final weeks of the school year, there is plenty happening around 545!

This week marks the second week of swimming lessons for our Foundation and Senior students. It has been wonderful to see students developing their swimming skills, building confidence in the water and learning important water safety skills. Thank you to the staff who have supported these sessions and helped make them possible.

Statewide Transition Day

On **Tuesday 8th December**, students across Victoria will take part in the annual Statewide Transition Day. This is an important opportunity for students to spend time with their new teachers, meet their classmates and become familiar with their next year level for 2027.

Transition Day plays an important role in helping students feel comfortable, confident and excited about the year ahead. We look forward to seeing our students take this next step in their learning journey.

Christmas Concert

Our annual Christmas Concert will be held on **Tuesday 15th December**. This is always a wonderful school tradition and a great opportunity to celebrate the year with our students, families and wider school community.

Further information regarding the concert will be shared shortly. We look forward to seeing everyone there!

Planning for 2027

Planning and preparation for the 2027 school year is well underway. To assist us with staffing, class structures and enrolment planning, we ask families to please notify the school office of any changes to their child's enrolment for next year.

In particular, we would appreciate notification of:

New enrolments: Families looking to enrol students at Sale Primary School in 2027, including Foundation and other year levels.

Transfers out: If your child will not be returning to 545 in 2027 (excluding current Grade 6 students), please notify the school office as soon as possible.

Your assistance with this information is greatly appreciated and helps us prepare for a smooth start to the 2027 school year.

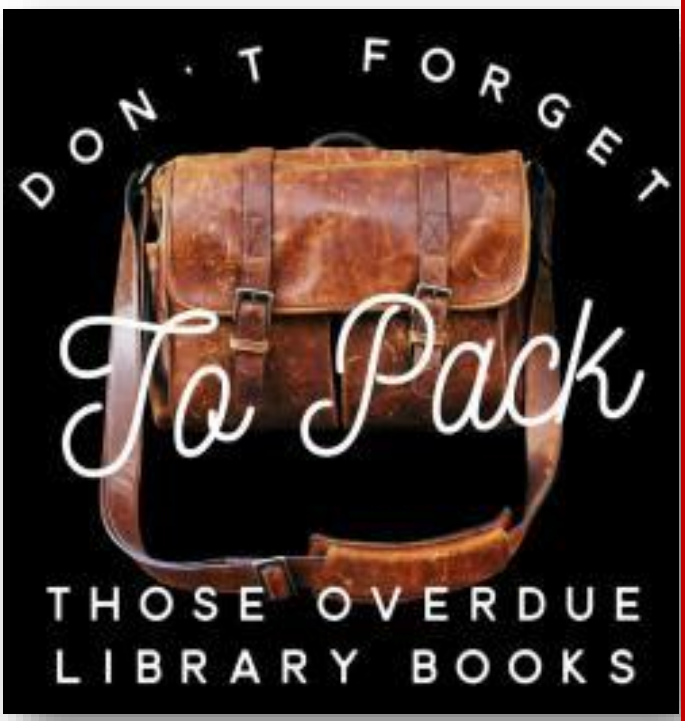
2027 Foundation Uniform Package

State School's Relief is a not-for-profit organisation that works closely with all Victorian government schools. Each year, State Schools Relief provides material support, including school uniforms, to families experiencing financial hardship.

An information flyer and application form for the State School's Relief 2027 Foundation Starter Pack has been sent out to families via compass.
Eligibility: for students to receive the pack, a parent/carer must hold an eligible means tested concession card, such as a health care card, as well as students eligible under CSEF (camps, sports & excursions fund) special consideration - arrangements including:
* asylum seekers
* temporary protection visa holders
* humanitarian or safe haven visa holders who are not permanent residents
* students in out of home care, including kinship care, foster care and permanent care
Hard copy application forms are available from the school office (including a foot measuring chart for shoe sizing).
If you are eligible, please complete an application form and return to the school office as soon as possible so that we can apply on your behalf for the pack.
If you are unsure if you are eligible, please contact the school office.
Applications close at the end of Term 1.

School Hats
Families of 2027 Foundation students can now collect their complimentary school hat from JSM, Prices Highway Sale. Thank you to our Parents & Friends for funding this.

Library Books – Emma-Lee Ross



Library Book Returns
A reminder that all Library books are due back **this week**. Overdue notices will be distributed to families accordingly.

Thank you for your assistance in ensuring all books are returned on time.

Swimming – PJ's / Clothes

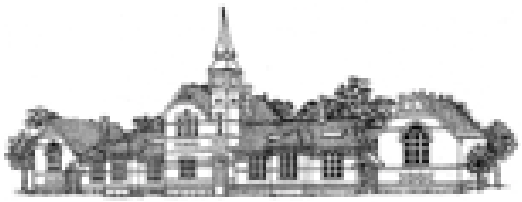
This Wednesday for swimming, all Foundation & Senior students will need to bring either long sleeved/long legged pyjamas or a long sleeve shirt and long pants to wear over their bathers in the pool.

This is an important element of the water safety training and simulates water survival if they were to accidentally fall into the water. They learn survival stroke. floating and sculling in the water.

Art News – Lou Cooper

Seniors finished their Dragon Eyes Unit, building on art skills of modelling and drawing. Firstly, they looked at different images of dragon eyes and discussed art elements of shape, line, colour, texture and form. Students chose a few different colours of Magiclay and modelled their dragon eyes creating spirals, horns, bumpy bits, lines, marks etc. The following week, students replicated their 3D Dragon eyes to 2D form, using grey leads, fine liners, pencil and paint pens.

GOOD OLD 545



COMMEMORATIVE PLAQUE
