PRINCIPAL'S REPORT

CHRIS MALONE

Garden Party

I look forward to seeing everyone at this Friday evening's Garden Party. All is in readiness after lots of planning and our senior students are ready to perform the Maypole. I am sure all members of the 545 community will be here from 4:30pm – 6.30pm to support

our great school.

The 130th maypole performance will be held at approximately 6.00pm.

2024 Planning

If you have any special requests, please email the school on sale.ps@education.vic.gov.au. These requests will close **Friday November 3**. Whilst we will consider all requests, some may not be granted.

We would appreciate being notified of any of the following situations:

- New enrolments (2024 foundation and other levels) – if you know of any new enrolments, please notify the office.
- Transfers out – if you are not returning to 545 in 2024 (Grade 6s excluded), please notify the office of your impending departure.

School Closure Day & Public Holiday

Monday November 6 is a school closure day. There will be no school for students on this day. Staff will be participating in professional development. **Tuesday November 7** is the Melbourne Cup Public Holiday.

All policies related to the care, safety, and welfare of students at Sale Primary School are available from school reception upon request. Visit the school or contact sale.ps@education.vic.gov.au

PARENTS & FRIENDS NEWS

KATIE WEIRE

Next Meeting

The next meeting of Parents & Friends will be held on **Monday November 13** at 2pm in the Nest. Everyone is most welcome to attend.

WORLD TEACHER'S DAY

KIMLEY LAMBOURN

This year, World Teachers' Day is on **Friday October 27**. It is an opportunity to say thank you for the incredible contributions teachers make to our community.

It is a chance to recognise and celebrate the teachers who are making, or have made, an impact in our lives. Whether you're a current student, have children in school, or have been out of school for many years, World Teachers' Day is a chance to say, 'thank you'.

World Teachers' Day

27 October 2023

Recognise and celebrate the teachers who make an impact on our lives.

CAMP QUALITY'S CANCER EDUCATION PROGRAM HAS BEEN BOOKED TO VISIT YOUR PRIMARY OR PRESCHOOL. WE CAN'T WAIT TO SEE YOU!

Camp Quality's cancer education program has been teaching kids about cancer with a fun and interactive puppet performance, for over 33 years. The program focuses on telling the broader cancer story, including how to support someone who is facing their own cancer diagnosis or that of a loved one.

The free Cancer Education Program visits primary schools and education and care services around Australia, and is shown to reduce bullying, absenteeism and the need for mental health support services for kids impacted by cancer. An independent KMPG report showed the total Social Return on Investment of the Cancer Education Program is \$5 for every \$1 spent.

The program includes newly developed Teacher Resource Packs aligned to the Australian Curriculum, Early Years Learning Framework and state-based curriculums. **Teacher lesson plans, classroom activities and our Talking About Cancer guide** provide further learning on the social and emotional impacts of cancer. We also offer a free Kids' Guide to Cancer App that can be downloaded to your smartphone or tablet. Our resources have been developed in consultation with subject matter experts in the health and education sectors and help to facilitate conversations about cancer.

THE BIG PARTY

AGES: EARLY LEARNING CENTRE
- YEAR 2
DURATION: 30 MINUTES

Ariel has a brain tumour. Her big brother Tom knows she's having a tough time in hospital, so today he's bringing her something he's sure will cheer her up straight away - an invitation to Lucy Carmichael's Bouncy Castle Birthday Party on Saturday! Only, Ariel can't go... how will she ever explain to the other kids why she doesn't have any hair, and why she's tired and skinny...? The Big Party by Julianne O'Brien is an empowering story, using interactive puppetry to teach us about cancer and the importance of positivity and recognising our own strengths.

THE BIG SCORE

AGES: YEAR 3-6
DURATION: 1HR (INCLUDING
POST-SHOW Q&A SESSION)

Siblings Tom & Ariel's lives are turned upside down when Ariel is diagnosed with a brain tumour. Leaving their home on the country farm and moving to the city for Ariel's treatment at hospital, they must start fresh at a new school, with new teachers, new friends and a whole new normal. Will Ariel ever make it through Year 5, and will Tom ever become a soccer superstar? The Big Score by Julianne O'Brien is a touching story, using interactive puppetry to teach us about cancer and the importance of hope and acceptance.

"It took away the stigma and fear from cancer. As we have a student at our school being treated for leukaemia, it helped the children understand what she is going through and why she has lost her hair. Having an understanding of the disease has certainly increased empathy in the other children too"
- Principal

"The manner in which the show addresses cancer is age appropriate while clearly articulating the facts. It has helped me to be able to talk about cancer in a positive and reassuring manner"
- Educator

ART ROOM NEWS

LOU COOPER

The Foundation and Junior cohorts finished their box construction units last week. Foundation students designed, constructed and decorated a robot and Junior students worked in groups of 3 to design, construct and decorate a prototype of their choice. Firstly, they had to fill out their plan or design brief, then construct their box artworks (trying their best to follow their briefs), then decorate them. It was great to see the Juniors working so well within their teams and especially presenting their work to the class.
