CAMPS, SPORTS & EXCURSION FUND (CSEF) PAYMENT

Parents and carers are reminded that applications for CSEF (Camps, Sports & Excursions Fund) close at the end of Term 2 (Friday June 28).

If any families have an eligible health care card and have not yet submitted an application, please contact the school office and we will make an application for the \$150 payment on your behalf.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports & Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

ART ROOM NEWS

LOU COOPER

Last week Foundation students connected with our school value of Belonging. Students drew their families with black oil pastel, watercolour paint over the top then chose what colour roof and icy pole stick edging they

wanted. These are absolutely adorable! They will be put up on display in the Foundation classroom area.

Junior students finished their 2 week unit on experimenting with gel plate printing. The first week they created positive and negative prints from leaves and feathers. Last week they cut the pieces up, then layered and composed them to create a collage.
