PRINCIPAL'S REPORT

CHRIS MALONE

Melbourne Christmas Wonderland Tickets

Our school has received a family pass (4 tickets) to Melbourne's Christmas Wonderland being held at the Caulfield Racecourse.

The family pass is valid for Wednesday December 4 at 6pm.

If any of our families would like to go into a draw to win this family ticket, please send an email to sale.ps@education.vic.gov.au to have your family entered into a draw. The draw will take place on Friday November 8.

All policies related to the care, safety and welfare of students at Sale Primary School are available from school reception upon request. Visit the school or contact sale.ps@education.vic.gov.au

Parent Payment Arrangements for 2025

This Newsline contains information for parents and guardians regarding the Parent Payment Arrangements for 2025.

If families have any queries regarding the payment arrangements, please don't hesitate to contact the school office.

Start of Term 1 2025

There have been some enquiries from families regarding start dates for 2025.

Grades 1 to 6 students will commence on **Wednesday January 29**,

Foundation students will commence on **Friday January 31**.

Wednesday January 29, Thursday January 30, Wednesday February 5 and Wednesday February 12 will be utilised by Foundation teachers as assessment days. Foundation students will have an allocated time to attend for their assessment time only.

Therefore, the week commencing Monday February 18, Foundation students will commence full weeks of school.

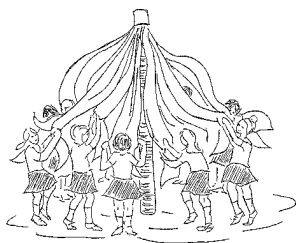

2025 Planning

We have begun the process of planning for 2025. If you have any special requests, please email the school on sale.ps@education.vic.gov.au. These requests will close **Friday November 15**. Whilst we will consider all requests, some may not be granted.

We would appreciate being notified of any of the following situations:

- New enrolments (2025 foundation and other levels) – if you know of any new enrolments, please notify the office.
- Transfers out – if you are not returning to 545 in 2025 (Grade 6s excluded), please notify the office of your impending departure.

Maths

This week **JN** and the junior school explored **capacity** in Maths. Capacity, is the maximum amount something can contain. The students enjoyed the 'hands-on' approach to learning this week

We first had to **estimate** how many **cups (250ml)** we thought it would take to fill the container to its capacity.

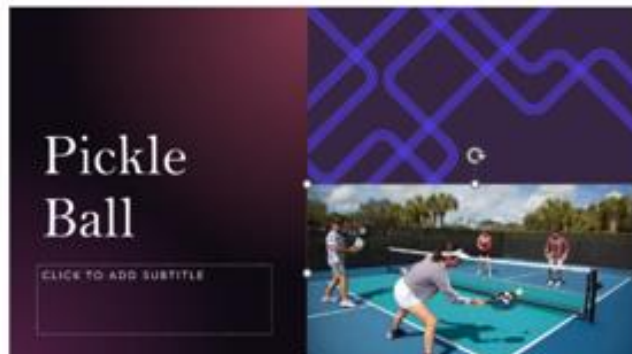

Then we carefully **measured** to find out the actual capacity, by keeping a **tally**.

Finally we **compared** two containers to see if they would both have the same capacity even if they were different shapes.

Learning in HPE

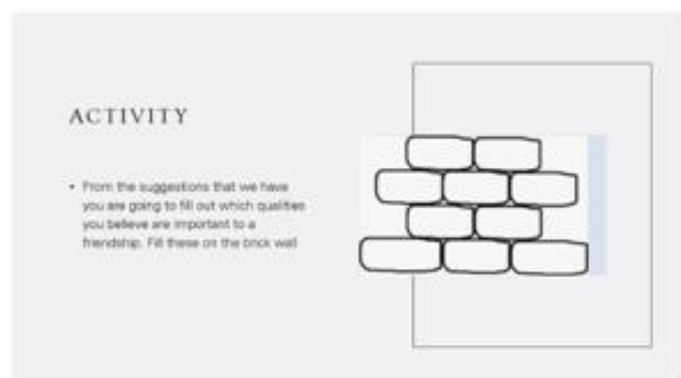

Seniors

The seniors have begun to explore the skill of striking. We focused on the movement pattern and what different sports we would consider as a striking sport. We put this into action through the sport of pickleball.

Middles:

We have continued working through the 'catching on early' program in relation to relationships and sexuality education. The focus this week was 'quality of friendships' and what we want to look for when we are making and maintaining new friendships. We did this through an activity called the friendship wall and what qualities (bricks) go into a friendship.

What we need

Juniors

We have continued working through the 'catching on early' program in relation to relationships and sexuality education. This week our focus has been what we need in order to be happy, healthy and safe. We focused on some key areas and what we are already doing in these areas.

DUNCAN'S PROBLEMS

- We need to help Duncan with some problems. He is going to give a scenario and you need to tell him what he should do to solve the problem.
- Suggested problems for Duncan to act out
 - He forgot his lunch
 - Another student is being mean to him
 - He has no one to play with
 - He lost his library books

Foundations

We have continued working through the 'catching on early' program in relation to relationships and sexuality education. This week we focused on 'help seeking' and when we need to find a trusted adult. This helps the students to solve their own problems, as well as know when the problem is a 'teacher problem'. We did this through helping 'Duncan the PE puppet' solve some problems.

ART ROOM NEWS

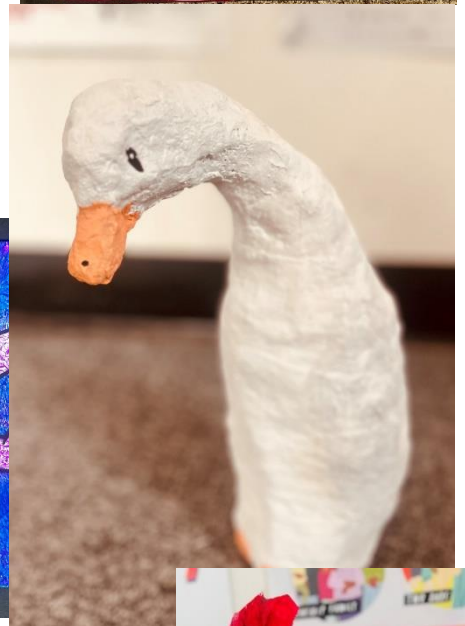

LOU COOPER

ART TEACHER

Foundation students finished their two week unit creating these cute as a button koalas. They learned about texture, using the paintbrush as a different technique (dabbing) and utilising some different kinds of paint pens.

Middle students finished their unit on iconic pop artist

Keith Haring. They made their own templates inspired by the artist's works, then used these to create different textured prints using the gel plates. Senior students finished painting their wonderful and whacky bottle birds. Some chose earthy and toned down tones while other students opted for extreme brights. Absolutely loving every one of these and how unique they are.

HOOPTIMES NEWS

BEN CHIVERS

PE TEACHER

Last Friday our Future Stars Hoop Time team travelled to Traralgon for the second round of competition. We played 3 pool games against St Patricks and Buln Buln. We had great success through the pool games winning all three with a close 1 point win over St Patricks. It was another tight contest in the grand final which we unfortunately went down by 1 point. Due to the close results we were successful in winning a wild card spot in the State finals which will be held on December 6 at the State Basketball Centre. Big thank you to Tiff for coaching the team.

Lunchtime Activity

Last week, one of the lunchtime activities that students could participate in was 'drawing in the park'.

Stay Connected
We value your input and ideas! If you have any suggestions or questions, please don't hesitate to reach out. Let's make this term a memorable one for all our young learners! Looking forward to a wonderful term filled with laughter, learning, and growth.

Hello families,

Spring is in full bloom, and we're so excited to kick off Term 4 with plenty of sunshine, outdoor fun, and new adventures! Our team has a range of exciting activities planned that will support your children's learning, creativity, and play in a safe and inclusive environment.

🌻 What's Happening This Term?

Each week, we'll focus on activities inspired by the My Time, Our Place framework to foster teamwork, creativity, and resilience. Here's a glimpse at some of the themes and activities we have lined up:

- **Outdoor Play and Exploration** - As the weather warms up, we're encouraging children to connect with nature through outdoor games, sports, and exploration.
- **Creative Workshops** - We're hosting craft and art workshops, including spring-themed crafts that celebrate the season.
- **Cooking Club** - Back by popular demand! We'll continue hands-on cooking activities, teaching children essential skills and healthy eating habits. Our Rocky Road was a hit in Week 1, and there's more to come!

🌻 A Few Reminders

Sunscreen & Hats - As we spend more time outdoors, please remember to pack a hat. We'll reapply sunscreen throughout the day as needed.

Cancelled bookings - To help us manage our program smoothly and ensure resources are available for all families, we kindly ask that you cancel any bookings that are no longer needed as soon as possible. This allows us to plan activities effectively and offer spots to other children on our waitlist.

MAYPOLE SPINNING WHEEL

Our Garden Party Maypole Celebration is fast approaching. One of the big interest items on the night is always the spinning wheel.

This year we are asking for donations from families towards one of the four baskets/themes:

***Sport & Outdoors**

***BBQ & Gourmet Food**

***Games**

***Pampering**

If you are able to donate an item to one of these themes, please pass it onto to child's teacher who will ensure it gets wrapped up in the prize baskets.

Thankyou in advance for your support!

School Saving Bonus

Information for government school parents and carers

About the School Saving Bonus

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

Actions for parents and carers

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

- **Complete enrolment**

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about [Enrolling in School](#).

- **Check your contact information**

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.

More information

To learn more about the School Saving Bonus visit vic.gov.au/school-saving-bonus. Translated information will also be available on the School Saving Bonus website in the next few weeks.

PARENT PAYMENT ARRANGEMENTS 2025

Dear Parent

Sale Primary School is looking forward to another great year of teaching and learning and would like to advise you of Sale Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to enhance our digital learning opportunities (notebook computers, ipads, server upgrades and faster WIFI/internet), purchase new classroom furniture, sports equipment, science resources, and upgrade our school's facilities.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
