# School Saving Bonus Reminder and Support

The Victorian Government is delivering the School Saving Bonus (SSB) – a one-off support of \$400 for eligible government school students from Prep to Year 12 in 2025.

The SSB helps families cover the cost of uniforms, textbooks, excursions, activities and more.

Most families have now received their SSB code(s). I encourage you to take advantage of this government support.

To learn more about the SSB online system, download the step-by-step [System guide for parents and carers \(DOCX, 945KB\)](#) or watch this [School Saving Bonus video](#). [System guide translations](#) are also available in 14 languages.

If you would like to use your bonus for school activities, you can allocate some or all of the bonus using the [School Saving Bonus online system](#).

If you have only recently completed your enrolment into the Victorian government school system you can expect to receive your SSB code(s) in the coming weeks.

If you have transferred to our school from another Victorian government school, any remaining funds on your SSB code(s) will soon be available to use at our approved school suppliers. We request your patience as this change is processed.

The Department of Education has established a dedicated contact centre to support the SSB. The contact centre can be reached by:

- completing the [School Saving Bonus enquiry form](#)
- calling 1800 338 663, between 8:30 am and 4:30 pm on weekdays.

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

### MORE INFORMATION

For more information about CSEF visit:  
<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

545 Sale Primary School has been selected to participate in the CYMHS And Schools Early Action (CASEA) Program!

The CASEA Program works with schools, children and parents. We help children to develop skills in making friends, getting along with others, solving problems, and to understand & manage feelings and behaviours with a focus on health and wellbeing. We know that with these skills students will be happier and have better learning outcomes.

We will arrange an information session early term 1 to meet parents over a cuppa to talk about how CASEA can support parents to develop understanding and skills to support their child's development.

Jessica Walters will be spending a bit of time in the school to get to know the staff and students. If you would like more information about the CASEA program, please talk with the Wellbeing Leader Derek Hayman or contact Jessica Walters on 51280100.
