Before & After School Supervision

Student safety at Sale Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from **8:45am**

After school: School grounds are supervised to **3:30pm**

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact TheirCare on 0455 100 334 or refer to their [website](#) for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements, please contact us on 5144 5545. For a copy of our school's Yard Duty and Supervision Policy, please contact the school office. This policy includes Sale Primary School's student supervision arrangements across the school day, including before and after school.

Whole School Incursion – Rod Smith

WALA Incursion

This Friday, our students will experience the vibrant sounds, rhythms and energy of Ghanaian culture when WALA visits our school for a special live performance.

Combining drumming, dance, percussion and powerful vocal harmonies, WALA presents an exciting and interactive celebration of African culture. Students will have the opportunity to join in with music, movement and traditional instruments as the performers share the rich heritage and spirit of Ghana.

With stunning costumes, handmade African drums and contagious enthusiasm, WALA promises to deliver a memorable and engaging experience for all students.

We look forward to welcoming the performers to our school community for what is sure to be an exciting and energetic day of learning and celebration.

Student Engagement Activities

This term, students have been enthusiastically participating in a range of engagement activities run by our Student Wellbeing Team. These activities have provided students with opportunities to connect with others, build positive relationships, develop social and emotional skills, and have fun in a supportive environment. The engagement activities have been a wonderful way to encourage inclusion, teamwork and student voice across the school. It has been fantastic to see so many students getting involved, trying new experiences and supporting one another.

We would like to thank our Wellbeing Team for their ongoing dedication and commitment to supporting the wellbeing of all students within our school community.

Financial Assistance for Families

FINANCIAL ASSISTANCE

INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund [helps](#) ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card [or](#) [support](#) an out of home care [student](#) you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the [website](#) below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
