Principal's Report – Chris Malone

It is hard to believe that we have less than two weeks remaining in Term 3! It has been another busy and productive term at Sale Primary School and as we head towards the final weeks, there is still plenty happening across the school.

Last Friday, we held our Father's & Special Persons Day Stall, giving students the opportunity to choose a special gift for

someone important in their lives. Thank you to our Parents & Friends Committee and volunteers who gave their time to organise and run the stall.

Today, a number of our students are representing Sale Primary School at the Wellington Division Athletics Carnival. We wish all of our students the very best as they compete against students from across the Wellington Division.

Parent, Teacher & Student Interviews

Our next Parent, Teacher & Student Interviews will be held **this Thursday 10 September**. Students are required to attend school for their scheduled interview time only.

Bookings can be made through Compass. These interviews provide a valuable opportunity for families, students and teachers to discuss learning progress, celebrate achievements and identify areas for continued growth.

Parent/Carer Opinion Survey

The 2026 Parent/Carer Opinion Survey is now open, and **we strongly encourage all families to take the time to complete the survey**. Information about how to access the survey has been shared via Compass.

The survey takes approximately 20 minutes to complete and provides our school with valuable feedback about families' experiences and perceptions of our school.

Last year, your feedback helped inform improvements in areas such as communication with families and student voice and agency. Your feedback is greatly valued and helps us continue to identify areas for improvement.

Art News – Lou Cooper

Seniors have been learning about depth, shade and contrast creating these amazing seed pod drawings. To make their backgrounds, they used coloured dye then sponges, blew the dye with straws and placed rice on top to soak up the dye creating the look of seeds where the rice had been. The following week they used lotus and poppy pod pictures as a reference to draw their pods, then highlighted with fine liners and white pastel to create shadow and light.
