Principal's Report – Chris Malone

What a fantastic afternoon we had at our 2026 Garden Party on Friday!
It was wonderful to see such a great turnout, with so many families and community members coming together to enjoy the festivities.
Thank you to the families, local businesses and community members who generously donated prizes and supplies, volunteered their time and helped make the afternoon such a success.
A big thank you also goes to our staff for their hard work in bringing the event together.
We have another busy week ahead at Sale Primary School. Tomorrow, we will acknowledge Remembrance Day, with students and staff observing a minute of silence to remember and honour those who have served and sacrificed for our country. We will also welcome author Ray Willis, who will be visiting our school to share his writing journey and the inspiration behind his book.
On Friday, our students will take part in Junior Athletics, providing an opportunity to participate, challenge themselves and enjoy some friendly competition.
We will also welcome our newest learners and their families for our first Foundation Transition Session as they begin their journey towards starting school in 2027.
Looking ahead to next week, swimming lessons commence on Monday for our Senior and Foundation students. We look forward to seeing students develop their confidence and skills in the water.
Finally, a reminder to families that Wednesday 18 November is a Student Free Day. There will be no classes for students on this day.
