PARENT PAYMENT ARRANGEMENTS 2026

Dear Parent

Sale Primary School is looking forward to another great year of teaching and learning and would like to advise you of Sale Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to enhance our digital learning opportunities (notebook computers, ipads, server upgrades and faster WIFI/internet), purchase new classroom furniture, sports equipment, science resources, and upgrade our school's facilities.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.
